Chipara is an Incan word meaning rainbow. At Camp Chipara, we will explore a spectrum of themes in a fun and engaging way that encourages independent, lifelong learning. We believe that the spirit of discovery is alive in every child! When it comes to learning, the manner in which information is presented is as important as the information itself. We have crafted our age appropriate curriculum with these beliefs in mind. Each week we will work on projects that correspond to our weekly theme. One field trip per week will be part of our fun experience!
