**Cape Ann Y School Age Program
Fall Clubs
September 19th- October 31st**

Mondays

Beading Club

Join Miss Lisa in this fun beading club, kids will be able to make their own jewelry!

Exercise Club

Alex and Rachel will lead this fun exercise based club; kids will play games and not even realize they are exercising!

Board Game Club:

Freddy will be leading the board game of choice each and every week kids will learn how to play classic games like Monopoly, Risk and Battle Ship!

Paper Football Club

Learn how to make paper footballs and compete in the first ever Paper Football Super Bowl!!

Tuesdays

Haunted Building Club

Join Miss Annette in building our very own spooky town! Kids will build a haunted house out of recycled materials.

Basketball Club

Austin will lead this skill based basketball club; kids will learn the fundamentals of basketball.

Friendship Bracelets/Gimp Club:

Miss Rachel will teach kids how to make friendship bracelets and challenge their gimping skills!

Wednesdays

Science Club

Miss Alley will be leading this fun exploration into the world of science! Kids will conduct fun science experiments each week!

Flag Football

Flag Football is one of the fastest growing youth sports, kids will learn the fundamentals of flag football and play in a game each week.

Cartooning Club

Kids will be able to create their own cartoons and learn how to draw famous cartoon characters!

Clay Sculptures

Kids will be able to make their own clay sculptures, design their own bowls and creatures!

Thursdays

Wood Building Club:

Kids will be able to build their own games, will work on sanding and creating their own wood projects! All projects will primarily be wood glue based there may be some nails involved.

Wiffle Ball Club:

Kids will compete in a wiffle ball series, teams will be made each week and a series will be held with a weekly wiffle ball champion!

Paper Plane Club:

Kids will learn the basics of paper airplanes and be able to fly them around! Each week the designs will be harder for the kids to create.

Crazy Kritters Club:

Kids will be able to create their own crazy kritter! These crazy kritters will be made from some fun materials and make great Halloween Decorations!

Friday

Pokemon Club:

Kids will be able to duel each other and have fun playing each other in Pokemon. No trading will be allowed and the program will have some cards for kids to use.

Monopoly Club:

Kids will play in a group game of monopoly if there is no winner in the week the game will carry over to the next

Gym Games Club:

Kids will play a variety of classic gym games including capture the flag, kickball, and dodge ball.

Fall Theme Craft Club:

Kids will make fall themed crafts and projects each week!
