Saturday

6:30am to 4:45pm

Sunday

8:00am to 4:45pm

Question or comments about this schedule?

Contact:
Roshelle Ogden
Aquatics Director
Ogdenr@northshoreymca.org

We build strong kids, strong families, strong communities.

Pool Etiquette:

All swimmers must take a cleansing shower before entering the pool.
Any children under the age of 6 or needing any floatation must be accompanied by a parent or guardian in the water.
Please respect all posted rules and listen to all aquatics staff, they are there for your safety.
Jumping is allowed(but no twists, flips, or going in backwards) Diving is allowed only in 9 feet.
Food, gum, drinks or glass are not allowed in the pool area.
Some of the swim times listed are shared with other programs. This may cut down on the number of lanes available but it allows us to serve as many members as we can in this fashion. Your comments are welcomed!

Birthday Parties:

An aquatic birthday party is a great way to celebrate any child's birthday! Rentals are available Saturday and Sunday afternoons. The party includes the use of our warm kid-friendly pool and a party room for cake and presents. Please inquire at the front desk for more details.

Exercise Class Descriptions:

Water Aerobics:

This class is designed to get that heart pumping using the water around us to work as resistance as well as our support. Very good class to help get you more active.

Water Walking:

This class is held completely in the deep end still with aerobics exercises but in a zero gravity environment to reduce strain on your joints.

Hydropower Combo Class:

This class combines deep and shallow exercises to get a good sampling of both. From time to time we switch from using the aqua belts to the noodles for our floatation.

Arthritis Exercise:

This class is focused on our joints stretching and improving range of motion. It is low impact with many different exercises that we stick to.
