

Membership *for All*

The heart of the YMCA's mission is to reach out and involve people in our communities, all people. The YMCA is committed to helping all people grow in spirit, mind and body. The "all" in our mission is what makes us unique in meeting community needs.

Each year the YMCA provides thousands of children, adults and families with membership that aren't able to afford the full rates. We understand that for many working families on the North Shore, membership is just out of financial reach. The YMCA's **Membership for All** is an initiative that enables all individuals and families to become an active member of the YMCA. Membership for All is possible thanks to the many generous donors who support the YMCA's Annual Campaign - "Y For All". **At the YMCA, everyone is welcome.**
