Fitness Class Descriptions

Strength Training and Combination Classes (Following classes should be performed on non-consecutive days to allow for muscle repair)

Muscle Conditioning/Upper Body/Total Body Conditioning: Build muscle strength and endurance using resistance equipment including free weights, body bars, bands, medicine balls and more.

Butt and Gutt : Strengthen & tighten your abs and glutes! Weights, body weight, and resistance tubing will be used as you perform exercises targeting your lower half.

Interval Sculpt: Total body sculpting combining low impact muscle conditioning with high energy cardio segments creating both muscular and cardiovascular endurance for an all-over body workout.

Athletic Conditioning (Intermediate/Advanced): A total body conditioning class that explores functional movement and cutting edge conditioning exercises. Using multi compound movements with weights or your own body weight you will take your workout to the next level.

Cardio Cutz: Get your cardio and strength training needs met in under an hour! Combine strength training with simple yet progressive cardio drills for a heart pumping, muscle burning good time.

Express Sculpt: A 30 minute body sculpt class combining multi-joint exercises to work various muscle groups at once. Work everything in this 30 minute blast.

Ball Workout: A variety of resistance equipment is used with the stability ball & the medicine ball to challenge your core, improve balance, coordination & more.

Muscle on the Ball: Total body conditioning utilizing the Stability Ball.

Body Bar: A full body workout using the weighted body bar.

Cardio Classes (Following classes can be performed every day)

Cardio Step: A fun cardiovascular workout consisting of choreographed combinations on and around the classic Step platform. No previous Step experience needed, all levels welcome!

Walking Wednesday: Come enjoy the nice weather, get in a workout and meet new people. Meets at the Y. All paces and abilities are welcome.

Cardio Classes (continued)

Cardio Blast: Calorie-burning cardio...simple, fast & fun. Be ready for intervals that may include plyometrics, jump rope, athletic drills & more. Elevate your heart rate, your spirits & sweat yourself into that fit body.

Kickboxing : Combines elements of boxing, martial arts, and aerobics to provide overall physical conditioning and toning. Instructors emphasize proper form and technique, which are essential to developing maximum speed, power, and precision, as well as preventing injury.

Kickboxing (Intermediate/advanced): For the Intermediate/advanced kickboxer who feels comfortable with their punches and kicks and is ready for a greater challenge.

Zumba/Dance Mania: Inspired by traditional salsa, samba and meringue music Zumba and Dance Mania pairs great music with fun dance moves.

Nia: Combining carefully selected movements and concepts from Yoga, Tai Chi, Tae Kwon Do, Aikido, Jazz, Modern Dance and other movement forms. Nia classes offer total-body cardiovascular conditioning and cross-training for any sport or activity. All Nia movements are adaptable and can be personalized for any level of fitness and agility.

♥ Gentler Paced Classes (Great for those new to exercise, older adults or those recovering from an injury or physical limitation)

Zumba Gold: A low impact aerobics class. The choreography is fun and easy to learn but you'll definitely work up a sweat!

Bodies in Motion: An overall body workout using light/moderate hand weights and occasionally using chairs and/or balls to adapt to everyone's individual needs. All classes end with stretch and relaxation.

Senior Magic: Dance, Stretch, Yoga...you name it, this class does it!! Something different every week to get you moving and have fun doing it!

Stretching: Experience simple and effective stretches and learn creative ways to weave them into workouts and everyday life! Includes a variety of static stretching, active-isolated stretching, as well as myofascial release techniques using tennis balls.

Total Body Toning: A beginning muscle conditioning class to teach you the basics to improving overall muscle strength and

Yoga

Gentle Yoga (Beginner/Intermediate): A gentle style of yoga with an emphasis on affirmations for each posture to concentrate the mind and uplift the consciousness, safety and alignment, adaptation of the pose to your body, and relaxation at all times--even in the midst of effort.

Yoga Basics (Beginner/Intermediate): This class links breath with classic yoga poses, building strength, flexibility, relaxation and calmness. We will cover the fundamentals of yoga practice, emphasizing form, muscular action and working with the breath in basic poses. Great for the beginner or someone looking for a more gentle and slower approach.

Hatha Yoga (Beginner/Intermediate): A slow-flow class that emphasizes breathing, alignment, concentration, balance and strength. The class will start with breathing and gentle stretching to warm up the muscles and joints and will progress into more challenging poses. The last ten minutes of every class is spent on the floor doing twists, abdominals and a final relaxation pose.

Vinyasa Yoga (Intermediate/Advanced): This class links sequences of yoga poses for a gentle yet energetic experience. Intermediate yogis are given modifications to ensure success and enjoyment while the more advanced students are guided toward deepening their practice with more challenging poses.

Kripalu Yoga (Intermediate/Advanced): Stretch and strengthen muscles, deeply relax your body and calm your mind. The gentle and effective Kripalu teaching method encourages honoring your limitations and
