When are parties offered?

Gymnastics parties are held on Saturday and Sunday afternoons.

The first party runs from 2:45-4:30PM and begins with 45 minutes in the party room, followed by one hour in the gymnastics center.

The second party runs from 3:30-5:15PM and begins with one hour in the gymnastics center, followed by 45 minutes in the party room.

What is included?

We are happy to provide paper goods at no extra charge. All food is to be provided by the hosting family. If you plan to serve hot food, please be sure it is delivered at the start of the celebration portion of your party (for 2:45 parties, this is at 2:45; for 3:30 parties, this is at 4:30)

Our experienced helpful staff will attend to your guests and guide them in both the party room and the gymnastics center.

What gym activities are available?

We are happy to offer an obstacle course, age appropriate instruction, rope swing, games and open gym time. Please be sure to communicate your preference as to the level of structure you want for your party.

The gymnastics space will be shared by no more than two parties at a time. Your event staff will attend to children in your group specifically.

When should we arrive for the party?

If you are hosting a 2:45 party, you may arrive 15 minutes early for party room setup. You and your guests will be escorted down to the gym after the celebration. Hosts of the 3:30 party can arrive a few minutes before 3:30 to welcome guests in the gymnastics center. You should also plan to have an adult leave the gymnastics activities at 4:15 to approve the room set up. Children will be brought to the party room at 4:30 for the party portion of your event.

All children in attendance must provide a waiver signed by their parent or guardian. Extra copies will be available the day of the party.
