SUMMER OF ADVENTURE
A LIFETIME OF MEMORIES
WELCOME TO Y CAMP!

The goal of Ipswich YMCA Summer Camps is to help mold young people into future community leaders. Based on the character values of Caring, Honesty, Respect and Responsibility, our camps provide children with a positive, safe, and fun summer experience. Camp Staff have years of camping experience working with children of all ages and abilities. Many are professionals in education, health and sports who recognize that not all children are alike and strive to meet individual needs. Innovative activities inspire making new friendships and encourage creative expression. Choose the camp that suits you and let the fun begin!

IPSWICH FAMILY YMCA SUMMER CAMP TEAM

OUR PROMISE
Ipswich YMCA camps comply with the regulations of the Massachusetts Department of Public Health and are licensed by the local Board of Health. Parents have the right to request to review the following policies: background review, health care, discipline policies and grievance procedures.

FINANCIAL ASSISTANCE
Y summer camps are for everyone – regardless of income. The Y provides financial assistance for families who are unable to pay the full camp fee. Subsidies are available thanks to the generous support of YMCA Annual Campaign donors. Contact your local Y or visit our website at www.northshoreymca.org for a confidential financial assistance application or to make a donation. Applications should be submitted at least two weeks prior to the start of the camp session to allow for processing.

REGISTRATION
The Ipswich Family YMCA makes registering and paying for camp easy and convenient. Parents can register in person at the YMCA or online. Choose from one of the three following payment methods:
• Pay in full at the time of registration
• Pay $25 non-refundable deposit and use our convenient E-pay system. We’ll automatically draft either a credit/debit card or checking account 7 days prior to the start of your camp session. Never worry about remembering to pay!
• Pay a $25 non-refundable deposit at time of registration and then pay the balance at least 7 days prior to the start of camp.

Summer camp balances are due 7 days prior to the start of the session. Families on e-pay will be drafted at that time.

WE ARE TACKLING SUMMER LEARNING LOSS
During the summer, children experience "summer learning loss" when they are not involved in high quality programs with opportunities for skill building. As a result, children can forget up to 2 months of academic instruction, particularly in the areas of reading and math when they are not in school. Camps provide the opportunity to reduce summer learning loss in an expanded learning environment where children are engaged and have an opportunity for enrichment. At the Y, we are committed to helping prevent summer learning loss. All of our camps have activities that focus on reading comprehension, progressive skill building and problem-solving. Research has shown that kids who are involved in camps over the summer are more prepared for the next school year.
