CAMP!

At YMCA summer camp your child will learn new skills, develop character, gain confidence, stay active and have fun! Our camps offer children positive developmental experiences that build confidence through skill-building activities suited to their age. Campers are able to explore creativity, teamwork and leadership in a wide range of physically active programs that influence positive lifelong skills. Whatever interest your child has, there is a Y camp for them.

SET YOUR CAMPER UP FOR SUCCESS - Inclusion Specialist

People, places, and things they know allow children to thrive in a group environment. Let us join your child's team by helping us learn about their individual needs and interests. Your Inclusion Specialist is looking forward to meeting you and your child prior to camp. Inclusion Specialist: Jenn Martin (martinj@northshoreymca.org)

STEM CAMPS 254 Essex Street, Beverly, MA 01915

NEW! DETECTIVE CAMP Ages 9-12 | Entering grades 3-7 | Dates 7/8-7/12

Can you solve the mystery? You'll work with your peers to solve the case, search for clues, and make scientific observations. As part of the research team you'll discover biology, forensic science, dissection, engineering, and leadership skills! Our teams will play mystery themed board games, video games, gather evidence, and get outside for more themed scavenger hunts!

LEGO CAMP Ages 8-10 | Entering grades 2-4 | Dates 7/15 - 7/19

Do you love constructing with Legos? Ever want to make a Mini-Me Mini-Figure? Then join us for this hands-on exciting camp! We'll test different building methods and challenge your building ability with our daily Lego challenges. Lego Camp will employ the engineering design process, learn architectural elements throughout history, strengthen teamwork skills and challenge the Lego builder to take their construction abilities to the next level! We will have outside game time and swim to round off our camp experience. Yes, everything is awesome!

TECHNOLOGY AND GAMING CAMP Ages 9-12 | Entering grades 4-8 | Dates 7/22 - 7/26

We'll code and create with iRobot's robotic Root, innovate with Makey Makey, K'nex and LEGO, explore with digital microscopes, and challenge your friends in Switch games! Campers deconstruct various technologies and discover their inner workings. We'll try out some old school unplugged technology, too. Campers will have outside and inside game time, and swim to round off our camp experience. Children are encouraged to bring their own technology, which are only to be used under staff supervision and during planned gaming time. This is going to be EPIC!

NEW! STAR WARS CAMP Ages 9-13 | Entering grades 4-8 | Dates 7/29 - 8/2

Is the force with you? Let's find out if you're a part of the Jedi forces or the dark side. With themed crafts, video games, and activities we will explore the galaxy together! You will learn about astrology, our solar system, and engineering. Just how good are you with a lightsaber?
