OUR PHILOSOPHY

At YMCA summer camp your child will learn new skills, develop character, gain confidence, stay active and have fun! Our camps offer children positive developmental experiences that build confidence through skill-building activities suited to their age. Campers are able to explore creativity, teamwork and leadership in a wide range of physically active programs that influence positive lifelong skills. Whatever interest your child has, there is a Y camp for them.

SET YOUR CAMPER UP FOR SUCCESS - Inclusion Specialist

Children thrive in a group environment with people, places, and things that they are familiar with. Let us join your child's team by helping us learn about their individual needs and interests. Your Inclusion Specialist is looking forward to meeting you and your child prior to camp. Inclusion Specialist: Jenn Martin (martinj@northshoreymca.org)
