

# YOUR IMPACT. THEIR OPPORTUNITY.

## What is the Staff Giving Campaign?

- The Staff Giving Campaign is our staff-led effort from February 1st - February 28th to support scholarships and flexible pricing, so cost is not the reason someone can't be here.

## Why Your Gift Matters

- About one-third of the people you see at the Y each day rely on financial assistance. Scholarships and flexible pricing help keep kids in programs, families in swim lessons, and members supported.
- As costs rise, we're expanding flexible pricing to reach more working families. Staff giving stays local and helps keep access possible at your YMCA.

## Other Ways to Help

- If giving isn't possible right now, you can still support the campaign through FUNDRAISING: Use our "Fundraising Toolkit" linked on the website below for instructions!

## How to Give

Please fill out the [2026 Staff Giving Form](#) located on the website when making a donation

1. Payroll deduction: Contributions will be deducted from your paycheck; you select the amount.
2. Check: make payable to your Local Y, write "staff" in the memo, and send to YNS, PO Box 7073, Beverly, MA 01915
3. Cash: Give to your Local Y executive in an envelope with your name and addressed to Staff Giving Campaign
4. Credit Card: Use our secure staff giving page to make your gift (fill out the form too, please!)

Every gift, no matter the size, helps keep the door open.

All staff who make a gift during the campaign will be entered to win a YMCA apparel gift card!
