Join us for a  
summer of FUN!

BAGNALL SCHOOL

## YMCA Camp Elm

### Creativity, Recreation, Engineering, Art, Team Building, Exploration, Science

Welcome to our vibrant science, art and sports summer program! Designed for curious minds and creative spirits, this program offers a unique blend of exploration and expression. Perfect for children ages 5 - 12 years old. We are licensed by the Department of Public Health.

#### CREATIVE ARTS:

Unleash your inner artist! Our art sessions will cover a variety of mediums, including painting and sculpture. Participants will collaborate on projects that encourage self-expression and creativity.

#### RECREATIONAL FUN:

Balance is key! In between our science and art activities, participants will enjoy outdoor games, sports and team-building exercises. Our recreational program ensures a fun-filled experience that promotes teamwork, physical fitness and friendship.

#### SCIENCE ADVENTURES:

Participants will engage in hands-on experiments and building (LEGOS!)
